

# Nera WorldPro 1000 Warranty Statement

This product is a radio transmitting and receiving device. It is the responsibility of the user to ensure that they are meeting all local regulatory which vary from country to country.

## 1. NERA SATCOM AS WARRANTY

Nera SatCom AS warrants this product and accessories to be free of defects in material and workmanship for a period of 24 months from the date of original purchase. This warranty applies to the original purchaser of this product.

In the event of a defect, Nera SatCom AS will, at its option, repair or replace the product with no charge to the purchaser for parts or labour. Replacement may involve the use of functionally equivalent reconditioned units. The repaired or replaced product will be warranted for ninety (90) days from the date of repair, or for the balance of the original warranty period, whichever is longer.

## 2. PURCHASER'S REMEDY

Purchaser's exclusive remedy under this warranty or any implied warranty shall be limited to the repair or replacement, at Nera SatCom AS option, of any defective part of the product or accessories which are covered by this warranty.

## 3. PURCHASER'S DUTIES

To obtain warranty service, the purchaser must return the product or accessories prepaid with proof of the date of original purchase, nature of defect, and purchaser's return address to Nera SatCom AS qualified Distributor/Dealer. Nera SatCom AS will not be responsible for losses or damage to the product incurred while the product is in transit or is being shipped for repair. Insurance is recommended.

## 4. LIMITATION OF IMPLIED WARRANTIES

Except as set forth in item 1 above or by mandatory Law, all other expressed or implied warranties, including those of fitness for any particular purpose and merchantability, are hereby disclaimed.

## 5. EXCLUSIONS

This warranty does not cover the following:

- Installation
- Finishes
- Defects resulting from installation
- Any repair if the warranty seal is broken
- Accessories not included in the Nera Equipment standard package.
- Shipment of the equipment or travel expenses to and from the Nera SatCom qualified Distributor/Dealer.
- Damage due to shipping, misuse, negligence, tampering or improper use.
- Servicing performed or attempted by anyone other than an Authorised Nera SatCom AS qualified Distributor/Dealer. Opening of this product by anyone other than Nera SatCom AS will void this warranty.

## 6. EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES

Absent gross negligence or wilful misconduct, Nera SatCom AS shall not be liable to purchaser or any other person for any incidental, special, indirect, or consequential damages whatsoever, including but not limited to lost profits, damages resulting from delay or loss of use, loss or damages arising out of the use or inability to use this product, or breach of this warranty even though caused by negligence or other fault. In no event will Nera SatCom AS be responsible for such damages, even if Nera SatCom AS has been advised of the possibility of such damages.

## 7. MERGER

This written warranty is the complete, final, and exclusive agreement between Nera SatCom AS and the purchaser with respect to the quality of performance of all the goods and any and all warranties and representations.

This warranty sets forth all of Nera SatCom AS' responsibilities regarding this product. This warranty gives you specific legal rights and you may also have other rights, which vary from country to country.

# FCC Notice

## USE CONDITIONS

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## EXPOSURE TO RADIO FREQUENCY RADIATION

This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. The antenna used for this transmitter must be installed to provide a separation distance of at least 50 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter.

## CAUTION

Changes or modifications not expressly approved by the manufacturer could void the user's authority, which is granted by FCC, to operate this satellite terminal Nera WordPro 1000.
